

REBATELOCK & EXTENDED SAVINGS ONLY FROM FMC

Make Your EOP Rebates Last all Year!

How it works:

- The RebateLock and Extended Savings program is active from March 1, 2021 to August 31, 2021
- Any purchases you make of eligible products during the active period count toward your total RebateLock and Extended Savings rebate
Note: Extended Savings percentages are not “in addition” to any RebateLock rebate amount
- Rebates are automatically calculated – no forms, no uploading, no hassle!
- Rebate checks or distributor credits will be sent on or before October 31, 2021
- You must have participated in the 2020 Early Order Program and reached the minimum rebate amount. Checks or credits will be mailed to the same address as your EOP rebate check
